Subject: Request for Topics MDNR Call--Agenda Topics Due Thursday

As a result of the shutdown, we missed the October senior management conference calls with all four states. After checking with each state, Missouri was the only one who requested their call be rescheduled for November. As a result, there will be a senior management call with Missouri next Monday, November 4th at 3 PM. You should have a meeting invite from Julia for this call.

Missouri previously identified the following topics to discuss. We are working with MO to ensure these topics are still ripe for discussion.

GHG EPA Listening session

Bridgeton Doe Run

4-States Directors Meeting Agenda Next Gen Compliance Initiative

Please send topics for the call to Ashley Betts by COB Thursday. I realize this is a tight turn around and apologize for the inconvenience. Once we have a final agenda we will share it with you in advance of the call. Thanks!
